

Sponsorship Information: 2018

5th Annual “Kathy’s House Classic” Golf Outing Thursday, September 20, 2018

Supporting: Families who need to travel to Milwaukee to receive medical treatment for cancer and other serious illness. We help patients to access life-saving care and keep families together during a medical emergency.

Who We Are: Kathy’s House is a hospital guest house committed to providing affordable lodging and caring support in a “home away from home” environment for families who need to travel to Milwaukee for medical care.

Why sponsor patients and families

Kathy’s House is here for patients and families when they need it most – *during serious illness, facing cancer and receiving life-saving treatments.*

Last year we served a record number of guests, over 1,500, and provided 11,400 nights of lodging. To meet increasing demand we are building a larger, state of the art facility. Your support helps us reach more families at a critical time when many are placed on a wait list. It is an exciting time to be part of Kathy’s House.

Our “Kathy’s Classic” Golf Outing is critical to growing our organization to serve the unprecedented number of families who need our services. We’re proud to celebrate 5 years of this impactful and fun event.

*“Kathy’s House provided us **a shelter in the storm.** It was a safe and calm place where we could relax, unwind and rest after a stressful day. While Froedtert & the Medical College of Wisconsin took care of our physical needs, Kathy’s House provided emotional care.”*

There has never been a more important time to be a part of our event and our mission. Please review the enclosures on how you or your company can help families while promoting your business at our event.
